Prices to increase 14.7% on April 1, 2010

This increase is in response to continued rising costs of Steel, Insurances, Utilities, Components, Paints/Coatings, Labor and other Services.

Please be assured that Myers Container and Container Management Services are working hard to control our costs and with your help by allowing additional lead-time or reviewing specifications for cost down possibilities we will continue keep these unprecedented increases to a minimum.

Please contact your Account Manager, our Client Services Center at 800.406.9377 or visit our website at www.myerscontainer.com for additional details.

Sincerely,
James M. Bise, Jr.
